FASHION & TECHNOLOGY SUMMIT

A dialogue between heritage and the future

Press Release
29 December 2016
press@luisaviaroma.com

LUISAVIAROMA presents the third Fashion & Technology Summit, 12 January 2017, in collaboration with IAB and Netcomm.

From 9.30am until 6.00pm, the Teatro della Compagnia will host international speakers and brands from the fashion and technology community. An exclusive dialogue between heritage and the future, the program foresees panel discussions and workshops dedicated to new industry trends.

Participants include The Huffington Post USA, Launchmetrics, MediaMath, AOL, Polimoda, Peuterey, Digital4Fashion by IAB ITALIA.
